

Eastern Michigan University Support Services

A

Academic Success Partnerships (ASP)

-Academic Success Partnerships (ASP) was established at Eastern Michigan University (EMU) in 2012 to equip students with relevant skills and training to be active learners focused on persistence and degree completion. Our commitment provides support beyond the classroom to help students manage work, life and professional development during their collegiate experience.

Academic Success Partnerships Programs:

Brotherhood and Sisterhood (BHSH) Scholars Program

-The Brotherhood and Sisterhood (BHSH) Scholars program at Eastern Michigan University (EMU) is a student support program designed to assist first-year students of color during their transition to postsecondary education. This program is housed within Academic Success Partnerships (ASP), a campus department committed to creating an inclusive environment for all students and providing them with the resources necessary to achieve their personal, academic and professional goals.

Website: <https://www.emich.edu/asp/programs/bhsh-scholars/index.php>

KCP College Day

The King-Chávez-Parks College Day (CD) Program is funded through the Martin Luther King, Jr. - César Chávez - Rosa Parks (KCP) Initiative that aims to prepare 6th-12th grade students for higher education. Specifically, this program focuses its efforts on supporting academically and socioeconomically disadvantaged students who otherwise might not have access to the same resources and support. The KCP Initiative is dedicated to supporting underserved students as they transition from secondary education into college by providing critical early college awareness and intervention services like tutoring, mentoring, academic preparation, financial

education and scholarships.

Website: <https://www.emich.edu/asp/programs/kcp-college-day/index.php>

KCP MICUP-BEAT

Michigan College and University Partnership (MICUP) is a program funded through the [KCP Initiative](#) that aims to prepare transfer students for attendance at a four-year institution, specifically those transferring from Henry Ford College and Wayne County Community College District. MICUP focuses on serving academically, economically and socially disadvantaged students who otherwise might not have access to the same resources and support.

The Baccalaureate Education Achievement Track (BEAT) aims to serve all transfer students at EMU, no matter the student's former institution. MICUP-BEAT is housed together within the Academic Success Partnerships department and treated as a collaborative program geared toward transfer students.

Website: <https://www.emich.edu/asp/programs/micup-beat/index.php>

Mentorship, Access, and Guidance in College (MAGIC)

-MAGIC is an academic support program for youth experiencing foster care or an alumni of foster care and interested in college. MAGIC offers a place that offers real support so that you can be your best and most successful self! MAGIC is a campus based support program that exists to increase the graduation rates among students who have experienced foster care by removing barriers that interfere with academic success and the process of becoming an interdependent adult.

Edge

-EMU Edge is a four-year academic support program designed to help students realize their higher education goals. To be eligible for the EMU Edge Program, students must be either academically at-risk or eligible for the federal Pell Grant. Students must also have a permanent residence in the state of Michigan. If you're not sure if you're eligible, contact us at emu_edge@emich.edu for assistance.

Website:

<https://www.emich.edu/academic-support-programs/edge/program-information/index.php>

UNIV

-UNIV is a course designed to help first-year students transition to the academic rigors of college. Students completing UNIV earn higher grades and persist at higher rates than their peers. Students learn how to successfully navigate the university system, what study techniques can enhance their grades, and how to live and learn in a multicultural environment.

Website: <https://www.emich.edu/academic-support-programs/univ/index.php>

Drop-In Tutoring

-HSC's Drop-In Tutoring program is designed and organized to best fit EMU student needs. Our program offers free tutoring services in many of the most challenging general education and gateway courses on campus. Whether you have a few quick questions on an assignment or need some long-term help getting caught up, our tutors are there to help.

Website:

B

Brehm Center in the College of Education

The Delores Soderquist Brehm Center for Special Education Scholarship and Research is housed within the Department of Special Education and Communication Sciences and Disorders in the [College of Education](#). Each year, 10 Scholars and 2 Fellows are selected from a pool of applicants. The Brehm Center is based on the two mutually supporting principles of transformational education of 1) research and 2) scholar/teacher/leader Development. The goal is to create special education/speech language pathology professionals and researchers whose focus is on understanding and exploring best practices for supporting people with disabilities. These individuals collaborate with families, people with disabilities, and educational or health care organizations to identify and share best practices, and ultimately transform services by way of their leadership in these organizations.

Website: <https://www.emich.edu/brehm-center/index.php>

Campus Life

-Campus Life offers student-centered learning, development and involvement activities that challenge and support the unique gifts, needs, experiences and interests of our students, our professional staff members and members of the broader campus community. We offer student-centered learning, development and involvement activities that promote and support student engagement and student success. We will be a national leader for innovative, effective, holistic individualized student-centered experiences outside the classroom.

Website: <https://www.emich.edu/campuslife/about-us/index.php>

Campus Life - Greek Life

-Greek Letter organizations have existed at Eastern Michigan University since the mid-1800s. Since then, the community has recognized the importance and values associated with fraternal organizations and continues to grow. Today, the community consists of 4 councils made up of approximately 800 students. The College Panhellenic Council (CPC), Interfraternity Council (IFC), National Pan-Hellenic Council (NPHC), and Multicultural Greek Council (MGC) pride themselves on their individuality, while promoting a community of a shared mission and values.

Website: <https://www.emich.edu/campuslife/greek-life/>

Center of Race & Ethnicity (CORE)

-The Center of Race & Ethnicity cultivates and models a safe, inclusive, socially just environment for all members of the Eastern Michigan community. We do this by celebrating historically underrepresented populations and providing opportunities for cultural exploration, dialogue, personal reflection, student org advising and leadership development. We empower people to explore social change through examining the interconnectedness of culture and identity, educating themselves and engaging others. Website: <https://www.emich.edu/dci/core/index.php>

The Children's Institute

-Our mission is to provide high-quality early childhood education programs for the children of EMU students, faculty, staff and surrounding communities. We participate in preparing EMU students to be early childhood education teachers. The Children's Institute provides high-quality care and education for children 18 months through 6 years. A full day program is available for toddlers, and full and half day programs are available for preschoolers. Flights of Imagination, the summer program at the Children's Institute, offers exciting and varied programs for children entering kindergarten through first grade.

E

Early College Alliance at EMU

-The Early College Alliance (ECA) is a unique educational program designed to fully immerse high school-aged students into the post-secondary learning environment. ECA is a public, early/middle college program located on the campus of Eastern Michigan University. It exists in partnership with local school districts, including the Washtenaw Intermediate School District. The program gives students an opportunity to earn college credits while still in high school and offers strong, academically focused students a chance to enroll in advanced, college-level coursework. It also provides an alternative for students who may not feel connected to their school.

Website: <https://www.earlycollegealliance.info/>

Engage @ EMU with Eastern Scholars

-The Eastern Scholars program is concurrent enrollment, which offers college-level courses at high schools. This academic program is customized to meet the needs of both EMU and the high school. It prepares students to receive academic credit upon completion of the course work. The curriculum is focused on the principles of

the associate discipline and will afford students the opportunity to develop skills in a specific area.

K

King-Chavez-Parks Future Faculty Fellowship

The Future Faculty Fellowship (FFF) Program was created by the Michigan State Legislature in 1986 as part of the larger King-Chavez-Parks Initiative, designed to stem the downward spiral of college graduation rates for students underrepresented in postsecondary education. The purpose of the FFF Program is to increase the pool of academically or economically disadvantaged candidates pursuing faculty teaching careers in postsecondary education. Preference may not be given to applicants on the basis of race, color, ethnicity, gender, or national origin. Applicants who would otherwise not be adequately represented in the graduate student and faculty populations are encouraged to apply.
