

Subject: Glean Users, Please sign up to a Glean Student Classroom

Hi Glean User!,

As part of your access to Glean, you're able to take part in one of the Student Classrooms that are running in January and February.

I highly recommend you sign up, as they will help you:

- A live demo of the Glean tool and an overview of all the features that will help with your studies
- How Glean will help you become a more effective learner and note taker to reach your learning potential

The sessions are half an hour and will be run by one of Glean's learning experts. You'll have the opportunity to ask questions and be signposted to further support resources.

Please sign up for a Student Classrooms at a time that suits you here:
