

E-mail from EFA President Bert Greene, April 2011

Colleagues:

It has come to my attention that Eagle Crest Golf Club is trying to get the EMU community to recognize this is our home golf course and to encourage us to play at that golf course. To that end, we are offered this opportunity: unlimited golf at a fixed price. Here's the deal and it is limited to those who can produce an EMU ID.

Number of People	Total Cost/group
1-4	\$500.00
5-10	\$1000.00
11+	\$1500.00

Guests you wish to play with pay EMU rates

Golf cart \$7.00 for 9 holes; \$14.00 for 18 holes

Range balls are free

10% off of merchandise in the Pro Shop

Note: Last year there was a problem because some people tried to lower their costs by getting friends and neighbors who were not affiliated with EMU to be included in the group rate. Please do not do this because the result is that none of us will be able to take advantage of this package.
