

## **Emeritus Newsletter Special Edition #91.1**

Hello Colleagues,

Your Executive Board meets by Zoom and is exploring ways to keep emeritus members informed and updated as to the progress of the COVID-19 developments for EMU. In person meetings, such as the General Membership meetings and Social gatherings are currently on hold as are EMU's campus activities. If and when it is safe to meet in person we will coordinate with EMU to confirm time and place.

Our board has also agreed to remain in our positions until our membership can meet to elect future board members. We are always here to help you with any emeritus issues you may have.

Since the last email you received we were notified that James McDonald, FA, Geography passed away on April 20, 2020. Jim's son Sean wrote that Jim's grandson is a sophomore at EMU and carrying on the family tradition.

Paul Chao, in Marketing passed away on April 29, 2020.

It is our intention to stay in touch throughout this COVID-19 period. If you have suggestions about what you would like us to include in our outreach, please let us know by responding to this email. We are actively seeking suggestions.

Stay safe and healthy,

Your Emeritus Executive Board
