The Individual Accountability Score will be determined based on a combination of **anonymous** peer evaluation and the information you provide me regarding your teammates. This score is intended to promote equal contributions from each team member. Please provide me with a description of the responsibilities each team member was assigned for the project:

Please be sure to provide yourself and your teammates a score for each of the skills selected. Also, please provide a statement justifying your score for each skill for each team member as well as a self-assessment of contributions to the team.
