Child Care Programs for ages 18 months to 5 years
THE COLLABORATIVE: YPSILANTI YMCA CHILD DEVELOPMENT CENTER

At the Y, we believe the values and skills learned early on are vital building blocks for quality of life and future success. That's why our child care programs are staffed with people who understand the cognitive, physical and social development of kids, the need children have to feel connected and supported in trying new things and the caring and reinforcement parents and families need to help each other.
