

Available Paid Internship with the EMU Children's Institute

The Children's Institute is seeking 2 sustainability interns for the 2018-2019 school year.

10 hours per week with flexible hours.
(Between 7:30 am – 5:30 pm, Monday – Friday)

This internship may include but not limited to:

- Research and implement sustainable initiatives
- Manage Recycling & Terracycling programs
- Becoming waste free
- Expanding our donation programs
- Seek and apply for grant opportunities
- Partner with EMU organizations for programming and initiatives
- Research and implement certifications (such as Eco Healthy and the Michigan Green Schools)

We are looking for energetic, self-motivated, individuals committed to our environment, conservation and making the Children's Institute "Green".

For more information contact: Chris Finch, Children's Institute Director at 734-487-2348

Located at 1055 Cornell Road, Ypsilanti MI 48197 (behind Cornell Courts)
