History

Arika Lycan and Mike Fry graduated from EMU in 2007 and 2008 respectively. They were involved in on-campus activities and organizations at EMU and have very fond memories of their time. While at EMU, Arika became a volunteer with the Big Brothers Big Sisters Program and was matched with a 9-year-old "Little Sister." Thirteen years later, they maintain a close relationship and the BBBS program has a special place in both of their hearts. Knowing the resilience and determination of "Littles" in the BBBS program, Arika and Mike would like to make "Littles" dreams for a college education more achievable.
