

2017-2018 Undergraduate Maximum Credit Hours of Eligibility (MCE) Appeal

Student ID _____ Legal Name _____

You should only submit this form if you are an undergraduate student with a SAP Status of "Max Credit Hours Reached" or "Nearing Max Credit Hours."

Federal regulations require the Office of Financial Aid to monitor the academic progress of all students toward the completion of a degree. The regulations stipulate that a student's eligibility for financial aid expires when the student's attempted credit hours have exceeded 150% of the credit hours required for their degree. Multiple changes in major and/or excessive grades of F, I, N, or W are not adequate reasons for exceeding the Maximum Credit Hour requirement. Appeals submitted for these reasons alone cannot be approved.

The Financial Aid Review Committee will review and respond to your appeal with either an approval or a denial. These decisions are communicated in writing to your EMU email account. All appeal decisions are final.
