

2019 EMU-FT Full-Time Lecturer Distinguished Teaching Awards

During a typical year, an award is given to a single Lecturer. We presented two 2019 awards. These awards were announced in March 2020.

Dr. Brian Coffey is a Full-Time Lecturer in the Department of History and Philosophy in the College of Arts and Sciences. He has taught courses on ethics for the past two years. Dr. Coffey is known for using innovative examples in class to make abstract philosophical concepts relatable and applicable to students' daily lives.

Dr. Kimberley Barker is a Full-Time Lecturer in the Department of Management in the College of Business. She has taught a variety of classes over the past six years. Dr. Barker believes not only in imparting knowledge to her students, but also in making them feel truly empowered throughout the course of their education at EMU.
