

# Join the Ethics Bowl team!

Ethics Bowl is a national competition that emphasizes thoughtful, charitable dialogue, ethical reasoning, and civil disagreement rather than adversarial debate and "winning." **EMU Philosophy** has long been involved with Ethics Bowl at the high school level, but this semester will be the first time we've fielded a team at the undergraduate level!

Professors Kris Phillips and Peter Higgins will coach the team. We are looking to field a team of thoughtful students interested in competing in the regional competition this November in Indianapolis. **All EMU students are welcome to join!**

Drs. Phillips and Higgins are hosting an initial informational meeting **Wednesday, September 18th at 5:00pm** in **Pray-Harrold 702G**. If you're planning to attend this informational meeting, please fill out the form below so we know how many students to expect. We will have snacks!
