
HONORS COLLEGE FOUNDERS AWARD

Application

Deadline: June 1st

DESCRIPTION

The Founders Award was created to support Honors students' pursuit of experiential learning opportunities. Awards are most often given for participation in an unpaid internship, academic study-abroad opportunity, or summer research activities, but students may apply for any type of experiential learning (other than those required for their major). Typically, two to three awards of \$500 to \$800 are awarded in a summer, fall, or winter semester.

The awards will be based on the following factors:

- Quality of the proposal, including clarity thoroughness of goals and purpose
- Relevance of the experience to the student's educational and/or career goals
- Likelihood of a high-quality, productive learning experience
- Demonstrated progress toward one of the Honors pathways
