

Honors Advance, Winter 2018

Welcome back to campus! Here is a preview of upcoming events and opportunities with The Honors College.

A Message from the Interim Assistant Vice President

Happy New Year and welcome back to campus! I hope the holiday break provided opportunities to rest and relax with family and friends so that you have renewed energy and enthusiasm for the winter semester. This semester, opportunities abound in The Honors College.

As you know, this year's Star Lecture series is grappling with "Courageous Conversations." The fall lectures focused on the U.S. Constitution, perceptions of mental illness, and science under siege. This winter, the conversations continue with Dr. Nancy Copeland discussing networked learning, Dr. Ellen Gold talking about becoming a successful college student, and Dr. Betty Kay McGowan exploring the rights of indigenous peoples.

Curious what Honors College alumni

do after EMU? Plan to attend the "Soaring to Success" alumni panel on March 7, from 6:00 - 7:00 PM.

Planning to write a thesis? Be sure to attend a Senior Thesis Workshop as soon as possible and turn in your thesis proposal for review.

Graduating in April? You must complete an exit interview before you will be cleared to graduate with Honors, so be sure to schedule your exit interview as soon as possible.

Also, don't miss the various Honors social events: coffee hours, game night, Valentine's Day card making, the Faculty Appreciation Dinner, the Lock In, the Farewell Picnic, the Arab Heritage Celebration, and more. Be sure to watch the "Updates with The Honors College" weekly emails for more information on all the Honors events and upcoming deadlines.

Wishing you all a successful semester.

Be well,
Mary Ramsey
Assistant Vice President,
The Honors College
