

I have 4 entries for this... (it's difficult to just choose one photo when the photos are from Italy). If only one submission is allowed, I'd like to submit the first photo.

1. The Glow of Rome

Sometimes you have to stop dead in the middle of the street in order to get the perfect shot of one of the most recognized landmarks in the world.

2. The Top of Florence

The breathless view after the long, exhausting journey to the top of the world (or Florence).

3. Morning Regime

A sneak peak backstage before another day at work.

4. Italian Bubbles

Child-like joy to end a wonderful week in Italy.
