

Title: one in a mEllion

Name: Matthew Leddy

Brief Description: This photo is in the Temple Bar District of Dublin, Ireland. The title "one in a mEllion" describes the "Block E" Flag in the middle of Dublin, representing the once in a lifetime opportunity that Eastern Michigan University and the Honor's College, has given me to study abroad. I feel very fortunate to have participated in this program, and felt like "one in a million," because of this unique opportunity that you don't get to do everyday. Eagles soar higher, no matter where our lives take us.
