

This is "Au mur de Concarneau" by Audrey Ush

This photo was taken on the fourth of July during my 6-week intensive French program. I do not know the women in the photograph, but I feel that countless stories could be created surrounding the pair. Studying abroad for me was a chance to fulfill my longtime dream of visiting France and the region of Brittany. The experience was absolutely the best of my life so far, and I'm much better off for it. The things I learned and the friendships I made strengthened me as a student and citizen of the world. I wouldn't trade this time for anything.
