Please join us for the first annual **Great Lakes Concert Band Festival**, on Friday April 12, 2019 held in Pease Auditorium on the campus of Eastern Michigan University.

Music for All is proud to partner with Eastern Michigan University Bands to present the 2019 Great Lakes Concert Band Festival. The Great Lakes Concert Band Festival is an affiliate regional festival of the Music for All National Festival, presented by Yamaha. Music for All is an organization that supports music programs nationwide through education and performance opportunities.

The Great Lakes Concert Band Festival at Eastern Michigan University offers high school concert bands an opportunity to showcase their musicianship in a non-competitive environment.

Bands present concerts free of repertoire restrictions for an audience of their peers, friends, families, and a panel of world class music educators. Students receive recorded commentaries on their performance from the panelists, followed by an educational clinic with one of the panelists. The Great Lakes Concert Band Festival ensembles will perform a 20 minute concert in the beautiful Pease Auditorium, followed by a 40 minute clinic. Performing bands will be limited to 16 on a first come first serve basis. Pre-register using link below.
