Curricular Practical Training (CPT)

What is Curricular Practical Training (CPT)?
An F-1 student may be authorized by the university to participate in a CPT program that is an integral part of his or her established curriculum. CPT is defined to be alternative work/study, internship, cooperative education, or any other type of required internship or practicum at an off-campus worksite. CPT can be paid or unpaid.

Who is eligible?
- F-1 students who are legally maintaining their status; and
- Who have been enrolled full-time for at least 8 months (one academic year) at Eastern Michigan University. Exception: Graduate students who have internship requirements within their first academic year.
- Students must be registered full-time during the academic year (fall and winter terms) and be registered for at least one course in summer to participate in CPT. Students in their final term in summer with less than full course load must have an approved Reduce Hours form.
- Students must be in good academic standing to participate in CPT (Graduates: 3.0 GPA, Undergraduates: 2.0 GPA & CCR above 67%).
- Students with full-time on campus employment (20 hours) are only eligible for part-time CPT. Students with part-time on campus employment are eligible for either part (20 hours or less) or full-time (21 hours or more) CPT.
- Students are required to attend a CPT seminar (online/in-person) before applying for CPT. Check with OISS for current estimated processing time after submitting your completed CPT forms to the OISS front desk. You are required to have CPT authorization on your I-20 prior to beginning the employment.
- The OISS cannot authorize CPT with a start date in the past; please plan accordingly and submit your paperwork in a timely manner!
- If you begin working prior to obtaining CPT authorization on your I-20, your SEVIS record may be terminated for unauthorized employment.

Important CPT Information
- You MUST have a written, signed employment offer letter on letterhead to apply for CPT. Please refer to the sample offer letter in the packet.
- Paid AND unpaid off-campus jobs require CPT authorization. Please see an OISS advisor if you have questions whether your unpaid volunteer work requires CPT approval.
- You can apply for either part-time CPT (20 hours or less) or full-time CPT (21 hours or more). If you accumulate 12 or more months of FULL-TIME CPT, you are no longer eligible for Optional Practical Training (OPT). Part-time CPT does NOT reduce the amount of time allowed on OPT.
- You are only authorized to work at your specific employer during the dates and amount of hours (part-time or full-time) listed on your I-20. If you work before or after the authorized dates or hours, it is unlawful and you risk losing your F-1 status and having your SEVIS record terminated.
- CPT authorization is only given one semester at a time and in accordance with the semester dates.
- If you have a new CPT employment opportunity, you must reapply for CPT by submitting a new CPT form and offer letter, and CPT evaluation form. Should you want to extend your CPT end date to the end of the current semester, you need to submit a new CPT offer letter and a new request form (Student section only). Remember to submit a new request in time to allow OISS to process before your current employment end date to avoid a break in your employment.
- CPT out-of-state in the student’s last term of study is not allowed. However, if it is a required practicum for their degree as listed in their program of study, the student can file an appeal with OISS for approval.
- The CPT evaluation (signed by you and your employer) must be completed at the end of your employment and must be submitted prior to submitting a new CPT request.
- CPT cannot be authorized for a course taken in a previous term, future term, and incomplete course. NO exception. Students must be enrolled in course related to the work experience/internship/co-op/preceptorship/practicum concurrently.
How do you apply for CPT?

- Attend CPT seminar. Information is at [http://www.emich.edu/oiss/students/seminars.php](http://www.emich.edu/oiss/students/seminars.php).
- Find appropriate employment opportunities for your degree and program of study. Utilize university resources such as the University Academic Advising and Career Development Center (UACDC). Discuss options with your academic advisor to ensure that the employment directly relates to your course curriculum.
- Register for class that is directly related to your work experience and a required class on your Program of Study.
- Gather the documents in the Application Checklist.

Types of CPT

A. **Required for your degree program.** Required means that all students in your degree program are required to complete an internship or practicum in order to receive the degree.

B. **Cooperative Education (co-op).** The work is considered as EMU co-op credit under the Academic Advising and Career Development Center (UACDC, 200 McKenny Hall). **This option is for Bachelor’s students only.**

C. **Integral part of an established curriculum.** If the internship is not required for the degree, it must be taken for academic credit and connected to a relevant class that has similar educational objectives. To be approved, the professor needs to confirm the work serves as an “integral part of the student’s curriculum” and describe how the work is directly relevant to the academic objectives of the class. **The course must be related to a student’s major program of study (not minors for undergraduate students).**

Application Checklist

*Please submit your documents in this order, without staples.*

**ALL Types of CPT**

- **Completed Curricular Practical Training Authorization Request Form.**
- **Write a one-page Statement of Purpose,** including the following:
  - What are your day-to-day responsibilities?
  - What do you intend to learn in this job that will help you better understand your field of study?
  - How does your work relate to the course’s (class listed on the CPT Authorization Request Form) curriculum?
- **Employment Offer Letter** on letterhead Fillable PDF is available on OISS forms website.
- Previous **CPT Employer Evaluation,** if applicable.

**Type A:**

- Include **a copy of your program in the university course catalog (Undergraduate) or Program of Study (Graduate)** confirming your program has this requirement.

**Type C:**

- Include **your Program of Study or a copy of your program in the university catalog** confirming this course satisfied a degree requirement.
- If the course is directly related to a **Non-Face-to-Face course** (practicum, thesis, research, independent study—**not including online courses**), you also need to submit **a written course description form from your department detailing the course objectives, goals, and grading.**
