This packet is to be used by EMU departments who wish to host J-1 Student in a Non-degree program. The program participation is for a minimum of 3 weeks to no more than 24 months, inclusive of academic training. It is extremely important that the Office for International Students and Scholars has the required information to process the immigration documents in a timely manner. There are 2 sections to the request form: one for the student to complete and another for the host department. All supporting documents MUST accompany the request. Please note:

- Processing time for DS-2019 requests is 7–10 business days
- Complete requests MUST be received **a minimum of 8 weeks** prior to the anticipated arrival date
- Incomplete applications will be returned to the host department

Supporting Documents that **MUST** accompany this form include:
- Agreement for the program
- Proof of funding, if funded other than EMU
- Passport Identity Page photocopy
- Passport Identity Page for all dependents requiring a DS-2019, photocopy
- Federally mandate English language proficiency [22 CFR 62.10(a)(2)]: an official English language test score, or an oral interview report from the ESL Program at EMU (see below)**

**Non-Degree Student**: EMU is authorized to host J-1 non-degree students who are currently enrolled at a postsecondary academic institution outside the United States, or engaged full-time in a “prescribed course of study” for professional development.

**English Language Skills**: The host department must provide validation that a scholar has sufficient English proficiency to undertake the program. This validation can be in the form of an official English language test score (iBT, IELTS, PTE, MELAB), or an “Oral Interview Report of English Proficiency” (from the EMU ESL Program).

**Funding Requirements**: Minimum funding requirements are:
- J-1 Living Expenses: $18,000/yr ($1500/month)
- J-2 Spouse Living Expenses: $5,000/yr
- J-2 child Living Expenses, under 21 years of age: $3,000/year for EACH child

**Insurance Requirements**: Federal regulations require that all J-1 and J-2 visa holders carry health insurance during their entire stay in the USA. The EMU offered policy fulfills this requirements. The student and dependent are required to purchase the policy from EMU. Coverage is arranged by the University Health Services. Details of 22 C.F.R. § 62.14 “Mandatory Health Insurance for Exchange Visitors” regulations are attached to this request.

**Assistance**: The host department is responsible to assist the student with arrival and departure transportation, and housing arrangement.

**Initial Visit**: Upon arrival, each student is required to make arrangement to meet with an OISS advisor to process SEVIS check-in.

*Note: If a student is unable to come on the arrival date listed on the DS-2019, the host department must inform the OISS to defer the program. The record will be invalid in 30 days of the program start date; it is critical to update the record.*

22 C.F.R. § 62.14 Mandatory Health Insurance for Exchange Visitors

(a) Sponsors shall require each exchange visitor to have insurance in effect which covers the exchange visitor for sickness or accident during the period of time that an exchange visitor participates in the sponsor’s exchange visitor program.

Minimum coverage shall provide:
(1) medical benefits of at least $100,000 per accident or illness;
(2) repatriation of remains in the amount of $25,000;
(3) expenses associated with medical evacuation of the exchange visitor to his or her home country in the amount of $50,000; and
(4) a deductible not to exceed $500 per accident or illness.

(b) An insurance policy secured to fulfill the requirements of this section:
(1) may require a waiting period for pre-existing conditions which is reasonable as determined by current industry standards;
(2) may include provision for co-insurance under the terms of which the exchange visitor may be required to pay up to 25 percent of the covered benefits per accident or illness; and
(3) shall not unreasonably exclude coverage for perils inherent to the activities of the exchange program in which the exchange visitor participates.

(c) Any policy plan or contract secured to fulfill the above requirements must, at minimum, be:
(1) Underwritten by an insurance corporation having an A.M. Best rating of "A-" or above, an Insurance Solvency International, Ltd. (ISI) rating of "A-" or above, a Standard and Poor’s Claims-paying Ability rating of "A" or above, a Weiss Research, Inc. rating of B+ or above, or such other rating service as the Agency may from time to time specify; or
(2) Backed by the full faith and credit of the government of the exchange visitor's home country; or
(3) Part of a health benefits program offered on a group basis to employees or enrolled students by a designated sponsor; or
(4) Offered through or underwritten by a federally qualified Health Maintenance Organization (HMO) or eligible Competitive Medical Plan (CMP) as determined by the Health Care Financing Administration of the U.S. Department of Health and Human Services.

(d) Federal, state or local government agencies, state colleges and universities, and public community colleges may, if permitted by law, self-insure any or all of the above-required insurance coverage.

(e) At the request of a non-governmental sponsor of an exchange visitor program, and upon a showing that such sponsor has funds readily available and under its control sufficient to meet the requirements of this section, the Agency may permit the sponsor to self-insure or to accept full financial responsibility for such requirements.

(f) The Agency, in its sole discretion, may condition its approval of self-insurance or the acceptance of full financial responsibility by the non-governmental sponsor by requiring such sponsor to secure a payment bond in favor of the Agency guaranteeing the sponsor's obligations hereunder.

(g) An accompanying spouse or dependent of an exchange visitor is required to be covered by insurance in the same amounts as the principal.

Sponsors shall inform exchange visitors of this requirement, in writing, in advance of the exchange visitor's arrival in the United States.

(h) An exchange visitor who willfully fails to maintain the insurance coverage set forth above while a participant in an exchange visitor program or who makes a material misrepresentation to the sponsor concerning such coverage shall be deemed to be in violation of these regulations and shall be subject to termination as a participant.
