

Both **Online** and **In-Person**  
General Education Courses **[GEKN]** in Physics & Astronomy

**Winter 2025 Semester Course Links**  
(click the course name below to see available sections)

[PHY 101 – Physical Science in the Arts \(4 credits\)](#)

Register for a **Lecture** (20093) and a  
**Laboratory** (20095 or 20096) section together.

[PSCI 110 – The Science of Everyday Life \(3 credits\)](#)

Register for a **Lecture** (21338) and a  
**Laboratory** (20213 or 22242) section together.

[ASTR 105 – Exploration of the Universe \(3 credit Lecture\)](#)

[ASTR 204 – Astronomical Investigations \(1 credit Lab\)](#)

Credit must be earned in ASTR 105 and ASTR 204 in order to receive credit towards General Education [GEKN]; they do not need to be taken in the same semester.
