All full time faculty provide office/advising hours, however appointments are not made through the front office. Please feel free to walk in during the designated hours or contact a faculty member directly to schedule an appointment.

Faculty are not required to maintain advising hours unless they are teaching for the semester, and advising in the department is very limited for summer.

The **Francine Parker Advising Center** is an excellent resource for College of Arts and Sciences students who need general advising or assistance with general education requirements.
