## MISSION STATEMENT

Eastern Michigan University's Recreation/Intramural Sports Department strives to provide the campus and surrounding community with quality recreational facilities and activities which promote a healthy lifestyle through participation in exercise, individual and team sports, educational programs, and recreational events. The Rec/IM Department works closely with students and other valuable resources toward the common University goals of unity, student development, and overall excellence in higher education.

## ABOUT THE REC/IM

### HISTORY

The Rec/IM first opened its doors in 1982, by the student demand referendum. The Rec/IM was funded by student fees at a total cost of \$17.25 million. Originally called the Lloyds W. Olds Student Recreation Center (after former athletic director, track coach, intramural director, and inventor of the striped referee shirt), the complex was renamed Olds-Robb Student Recreation Intramural Complex. Richard Robb, Chairman of the Board of Regents, the longest-serving regent at Eastern Michigan University, chose the recreation center as the building for which he was most proud. Robert England served as the first director of the facility from its inception until 2011, followed by Lou Gianino, Wesley Howell, and now current

director, Justin Jett. At a renovation cost of \$16 million, the Rec/IM reopened in Fall 2020. These renovations allowed for improvements across the facility as well as updated equipment and technology.

### THE BUILDING

This 188,000 square foot recreation center is open to currently enrolled students who have a valid Eastern Michigan University Student ID card and have not opted out of the Rec/IM fee via Student Business Services. Faculty/ staff, alumni, and community members may purchase memberships and sponsor guests. The Student Recreation Intramural Complex (Olds-Robb Rec/IM) is connected to the Warner Building and Bowen Fieldhouse. The Rec/IM features multiple fitness areas, multipurpose rooms, community spaces, two pools (including one Olympic-size that often hosts community swim meets), basketball/volleyball courts, table games, and a recreational gaming lounge.

Check-in pre-renovation.

Check-in post-renovation.

Every patron must show picture identification to enter the building (i.e., valid EMU student ID, current Rec/IM membership card, driver's license with membership receipt/guest pass) and be able to provide it if asked while in the building. If student privilege is unable to be verified through the University, students will be asked to provide staff with their current (live) weekly schedule and proof of having paid the Rec/IM fee on their emich ebill, which is only allowed the first two weeks of the semester. Non- EMU Students under 18, who do not have picture identification, must show their Rec/IM membership receipt until their permanent membership card is available for use. In addition, non-EMU students under 18 must be accompanied by a parent/legal guardian that is also a current Rec/IM member at all times. Rec/IM membership cards are not transferable. Unauthorized IDs will be confiscated and fees paid will not be refunded.

EMU student violators will be subject to sanctions by The Office of Wellness and Community Responsibility (see EMU Student Code of Conduct) or Rec/IM Department for all other members, which may result in loss of access and privilege. Those who have IDs confiscated, or cannot provide proper identification, are not allowed to use the facility or purchase guest passes for themselves or any other person that day.
