REPORT

REPORT: Summer 2012, Fall 2012, and first round of Winter 2013 FACULTY RESEARCH AND CREATIVE ACTIVITY FELLOWSHIPS

ACTION REQUESTED

It is recommended that the Board of Regents accept and place on file the Report on Summer 2012, Fall 2012, and first round of Winter 2013 Faculty Research and Creative Activity Fellowships.

STAFF SUMMARY

Faculty Research and Creative Activity Fellowships are competitive awards given to faculty who submit meritorious research or special study proposals. The fellowships award up to 50 percent release time from teaching to help provide a foundation for a faculty member to develop a research base for future additional funding from other sources. Unlike a sabbatical leave, the fellowship recipients are still expected to fulfill other contractual responsibilities, such as service to the University during this released time. The University Research and Sabbatical Leave Committee reviews the Faculty Research and Creative Activity Fellowship proposals and makes recommendations to the Provost and Vice President. Brief summaries of the approved projects are contained on the attached page. Ten faculty will be supported.

FISCAL IMPLICATIONS

None. The cost of the fellowships will be absorbed in the faculty salary budget.

ADMINISTRATIVE RECOMMENDATION

The proposed action has been reviewed and is recommended for Board approval.
