Emeritus Faculty Committee,

I would like to offer my support for the application for emeritus faculty status by David Gore. David will retire on January 2, 2018 after a 34 and one half year career in the College of Technology at EMU. Among his accomplishments that justify this honor are the following:

Creation of the Communication Technology program, and serving as the program coordinator from its inception until May 2016.

Creation of the referred, quarterly national professional publication, The Journal of Industrial Technology. He was editor for 10 years, 40 issues.

Authoring, or co-authoring, over 20 grant proposals to the Michigan Department of Education and NSF equaling 1.7 million dollars. All funded and brought over 1000 talented and gifted high school students to EMU for summer educational opportunities.

Authoring, or co-authoring, over 30 articles in referred publication and presentation at national and international conferences. Many of these included mentoring students in the authoring and presentation process.

Shepherding the renovation and remodeling of the Communication Technology laboratories throughout the years to maintain spaces that were suitable for delivery of the curriculum.

Service on numerous departmental, college and university committees over the years.

Based on all of the above contributions, I am happy to endorse the application by David Gore to be inducted into the ranks of the emeritus faculty at Eastern Michigan University.

Sincerely,

Dr. Suleiman Ashur, Director
School of Visual and Built Environments
