WORK EXPERIENCE:

Deputy Director- State of Michigan, Department of Health and Human Services, February 2017 to present. Duties included working in strategic collaborations with Wayne County Family/Probate Courts, CMH, Detroit Police Department, Wayne RESA, and Wayne State University to provide seamless services to children and families. Managing county budget, developing staff retention training. Ensuring that the three county Children's Services Districts are following child welfare laws and state/federal policy. Improve current structure and develop additional service structures within Wayne County DHHS to enhance service relevance and provision.

District Manager - State of Michigan, Department of Human Services, July 2015 February 2017. Duties include selecting and assigning staff. Evaluate employee performance; identify staff development and training needs. Manage and monitor staff in the South Central District Office, who supervise social service professionals that provide services to children and families that are involved in the child welfare system in Wayne County. Serve as a resource to the staff and community regarding state and federal social welfare laws and policies. Develop solutions that define and resolve service delivery problems. Work with

the County Director and other management staff to bring innovative and creative ideas to process the work and maintain a well-functioning work environment.

Adjunct Instructor –Eastern Michigan University September 2013 to September 2014. Taught graduate course Social Planning and Policy. Presented information to students, lesson planning, grading papers, quizzes, tests, and class participation.

Program Manager - State of Michigan, Department of Human Services, August 2010 to present. Duties include selecting and assigning first line managers. Evaluate employee performance; identify staff development and training needs. Manage and monitor supervisors who directly supervise social service professionals that provide Children Protective Services to families that are at risk of losing their children. Serve as a resource to the staff and community regarding state and federal social welfare laws and policies. Develop solutions that define and resolve service delivery problems. Work with the County Director and other management staff to bring innovative and creative ideas to process the work and maintain a well-functioning work environment.

Clinical Social Worker –Henry Ford Behavioral Health, January 2010 to present. Duties include preparation of Psycho-Social Histories for new patients, conducting group therapy, developing after care plans and assisting patients and their families with securing resources in their respective communities. This may entail assistance with housing, obtaining medication, mental health providers, providing information regarding educational programs, and support groups.

Services Manager - State of Michigan, Department of Human Services, January 2009 to August 2010. Duties include selecting and assigning staff. Evaluate employee performance; identify staff development and training needs. Manage and monitor social service professionals that provide foster care services to families and facilitators who conduct meetings with the DHS, private agency staff and parents to plan for children in care. Serve as a resource to the staff and community regarding state and federal social welfare laws and policies. Develop solutions that define and resolve service delivery problems. Collaborate with community organizations, the court system, and internal service providers in an effort to provide a seamless service continuum for children and families. In addition to the above duties I perform human resource duties that include identifying and setting up interviews with potential staff, ensuring union rule hiring processes are followed and personnel changes are tracked, assisting managers in the disciplinary process and tracking vacant positions and processing new hires.

Family to Family Coordinator – State of Michigan, Department of Human Services, August 2006 to January 2009. Duties included supervising Team Decision Making Facilitators, working with the Casey Foundation, community partners and DHS staff to establish systems reform that is aimed at improving outcomes for children, particularly supporting families to avoid out of home placement. This involved presentations to internal staff as well as the community to explain the goals and practices of the Family to Family model. To achieve this it was necessary to develop marketing strategies with the goal of educating and engaging the community to participate in planning for children. In addition developing plans to implement practices and procedures that promote family involvement in the decision making process in children services was a primary responsibility. I assisted with tracking data to monitor patterns, problems and changes in the removal of children, length of stay in foster care and termination of parental rights. Established and monitored an annual budget, as well as seeking out additional funds to supplement budget, and serve as the liaison between the DHS, private agencies and the community.
