BOARD OF REGENTS
EASTERN MICHIGAN UNIVERSITY

RECOMMENDATION

ACADEMIC PROGRAM PHASE-OUTS

ACTION REQUESTED

It is recommended that the Board of Regents receive and place on file this notification of two (2) Academic Program Phase-Outs: Biochemistry-General, Bachelor of Science and Chemistry-General, Bachelor of Science.

STAFF SUMMARY

The Chemistry Department implemented a significant curricular reform to increase enrollments in their upper-level courses. As part of this restructuring, the department reduced the number of offered majors from four (4) down to two (2). The phase out of their Biochemistry-General (BS) and Chemistry-General (BS) majors leaves the revised Biochemistry (BS) and Chemistry (BS) majors in place.

FISCAL IMPLICATIONS

None.

ADMINISTRATIVE RECOMMENDATION

The proposed Board action has been reviewed and is recommended for Board approval.
