University Policy Statement

Policy for the Establishment of In-State Tuition

Regulations for Determining In-State Classification

A person enrolling at Eastern Michigan University shall be classified as an In-State or out-of-state student for tuition purposes. A student's In-State tuition status shall be determined at the time of his/her initial admission to the University. In order to determine the tuition status of a student, the regulations in this policy will be utilized.

Eligibility Through Michigan Residence

You may qualify for In-State tuition by demonstrating that you are a permanent legal Michigan resident and are coming to the state for reasons primarily other than to attend the University. Domestic out-of-state undergraduate students entering as of Fall 2016 will receive in-state tuition rate regardless of State of Residence. The following criteria will be used to determine In-State tuition status:

- A. Criteria for Establishing In-State Tuition through Michigan Residence
 - a. Minors and Dependents over 18. The domicile of a student who is not yet 18 years of age follows that of the student's parents or legal guardian. If that student's parents or legal guardian would qualify in accordance with the University's regulations for determining In-State tuition status, that student shall be considered In-State for tuition purposes.

Students 18 years of age or older who are claimed as dependents for federal income tax purposes by their parents or guardians at the time of registration and for the tax year preceding the year in which they register will be classified for tuition purposes as though they were minors.
 - b. Non-dependent Students
An independent student 18 years of age or older is considered eligible for In-State tuition if the student has demonstrated that he/she has established permanent legal residence in Michigan.
 - c. Spouse
The domicile of a student who otherwise would be classified as out-of-state for tuition purposes will follow that of the student's spouse, if the spouse is eligible for classification as In-State for tuition purposes (applicable only to U.S. citizens or to aliens admitted to the United States in accordance with subsection.
 - d. Aliens
An alien (noncitizen) student shall be eligible for In-State tuition if he/she is domicile in the United States and meets the criteria below.

In order to demonstrate that he/she is domicile in the United States, the student must be a permanent resident, or an alien with one of the following visa classifications, or an alien with other documentation from the Immigration and Naturalization Services that reflects such status.

Visa classifications: E-1 - treaty trader, spouse, and children; E-2 - treaty investor, spouse, and children; G-4 - international organization officer or employee and members of immediate family; H-1 - temporary worker of distinguished merit and ability; H-2 - temporary worker performing services unavailable in the U.S.; H-3 - trainee; H-4 - spouse or child of H-1, H-2, or H-3; J-1 - exchange visitor (limited to persons engaged as trainee, teacher, professor or research scholar); J-2 - spouse or child of J-1 as limited above; L-1 - intracompany transferee; L-2 - spouse or child of L-1.
 - e. Migrants
Migrant status is one factor considered when determining if a student is domicile in Michigan for tuition purposes. Michigan migrants are defined as individuals who have made their livelihood in seasonal work in the state of Michigan, and have traveled interstate for this purpose. Migrant students shall be considered

12.01.01 In-State Classification For Tuition Purposes

Michigan residents for tuition purposes if they, or their parents or legal guardian, were employed in Michigan for at least two months during each of three of the proceeding five years. Verification of employment as migrant workers should be secured from the Michigan Farm Labor and Rural Manpower Services Office. Other appropriate evidence also may be used by migrant workers to establish their status.

f. Active Duty Members of the Military, their Spouses and Dependents

Active duty members of the armed forces of the United States and their spouses and dependents will be granted In-State tuition if the member of the armed forces is a Michigan resident (and has not established residency in another state) or is stationed in Michigan. Once an active duty member of the armed forces or his or her spouse or dependent qualifies for In-State status, that status will continue to be recognized as long as the student is continually enrolled in the current degree program at the University.

The spouse or dependent of a person who died while serving in a branch of the U.S. military service shall be eligible for In-State tuition purposes if that military service person qualified in accordance with the University's regulations for determining In-State tuition status.

g. Eligible individuals Using Educational Assistance under Federal Choice Act

Any individual using educational assistance under either Chapter 30 (Montgomery GI Bill® - Active Duty Program), Chapter 33 (Post-9/11 GI Bill®), of title 38, United States Code, [Chapter 35 \(Survivors' and Dependents' Educational Assistance Program\)](#) and/or the Marine Gunnery Sergeant John David Fry Scholarship (38 U.S.C. § 3311 (b)(9)) who lives in the State of Michigan while attending Eastern Michigan University (regardless of his/her formal state of residence) shall be eligible for In-State Tuition Status.

B. Guidelines for Establishing In-State Tuition Status Based on Residence

Since a student normally comes to Eastern Michigan University for the primary or sole purpose of attending the University rather than to establish domicile in Michigan, one who enrolls in the University as an out of state student shall continue to be so classified throughout his/her attendance as a student, unless a review is requested when circumstances change to meet eligibility requirements below.

The following guidelines and criteria shall be applied when reviewing a student's classification. It is recognized that no one of the following criteria shall, standing alone, necessarily be controlling. All factors indicating an intent to make Michigan the student's domicile will be considered by the University in classifying a student.

- a. Domicile in Michigan of family, guardian or other relatives or persons legally responsible for the student.
- b. Former domicile in Michigan and maintenance of significant connections therein while absent.
- c. Self-supporting reliance upon Michigan sources for financial support (verification of Michigan income tax liability must be provided).

- g. Ownership of real estate in Michigan.

B. Please note: The following circumstances, standing alone, shall not constitute sufficient evidence of domicile to effect classification of a student as In-State under these regulations:

- a. Voting or registration for voting.
- b. Employment in any position normally filled by a student.
- c. A lease of living quarters.
- d. A statement of intention to acquire a domicile in Michigan.
- e. Automobile registration, driver's license.
- f. Other public record, e.g., birth records

- B. You began your education at Eastern Michigan University within 28 months of graduation from the Michigan high school or receiving your GED.

Graduate Assistant Status

For Graduate Assistants, this classification as In State is in effect for the period of the GA appointment, with a maximum of two academic years. For Doctoral Fellows, this classification remains in effect for the period of the DF appointment, with a maximum of four years.

Reclassification of In-State Status

A student's In-State status may be reviewed at each re-enrollment. If a student's circumstances should change to the extent that he/she would no longer be considered an In-State student for tuition purposes, as herein described, that student shall be reclassified as an out of state student for tuition purposes 12 months thereafter.

It shall be the responsibility of all students, prior to registering, to raise questions in Student Business Services regarding their right to be registered as an In-State student for tuition purposes.

The administration is authorized to establish procedures and delegate authority for determining the In-State status of students for tuition purposes.

A tuition reciprocity agreement with Ohio, entered into by the Michigan State Board of Education and the Ohio Board of Regent in 1980, allows an Ohio resident to attend Eastern Michigan University at Michigan resident tuition rates. Monroe County residents can attend the University of Toledo at Ohio resident tuition rates.
