### Banner grade processing

Grades submitted on the Final Grades submission page are posted to the Class Roster form in Banner. Grades are then “rolled” to Banner Academic History and posted to the student’s official transcript via a batch process.

- Grades submitted will roll nightly at 11:00 p.m.
  - Note: this is a change from past semesters where grades were rolled on a weekly basis up until the Final Exam period for the 15 week full semester.
- The final grade roll for summer will be August 19 at the 11:00 p.m. deadline.

Students are able to view their grades online via their my.emich account once grades have been submitted and rolled to Academic History.
