

How to Run an Online Audit – Faculty/Staff

To access u.achieve, log into your my.emich account and follow the steps below:

- Click on the “Faculty” tab
- Choose the “Faculty & Advisors” link
- Click on the “UG Degree Audit (u.achieve)” link

Once you have accessed the link, you may run an audit for any EMU student using the following steps:

- When first logged in, click on the “Students” icon to access the search page for u.achieve
- On the “Student Search” page (shown below), enter the student number for the selected student - using a capital E, or you may search by name (be careful to select the correct student as searching by name may pull up more than one student.)

The screenshot shows the "Student Search" page in the u.achieve system. At the top left is the Eastern Michigan University logo with the tagline "Education First". The top right corner says "Eastern Michigan University". Below the logo is a navigation bar with "Students", "Batch", "Reports", and "Security" tabs. The main heading is "Student Search". A note states: "Please note: This degree evaluation program reflects 11-12 forward catalogs along with the new General Education requirements only. Evaluations for students following prior catalogs and/or the old General Education program should not be processed." There are two search methods: "Enter Student ID" with a text box and a "Continue" button, and "Search by Student name" with "First Name" and "Last Name" text boxes and a "Search" button with a dropdown arrow.

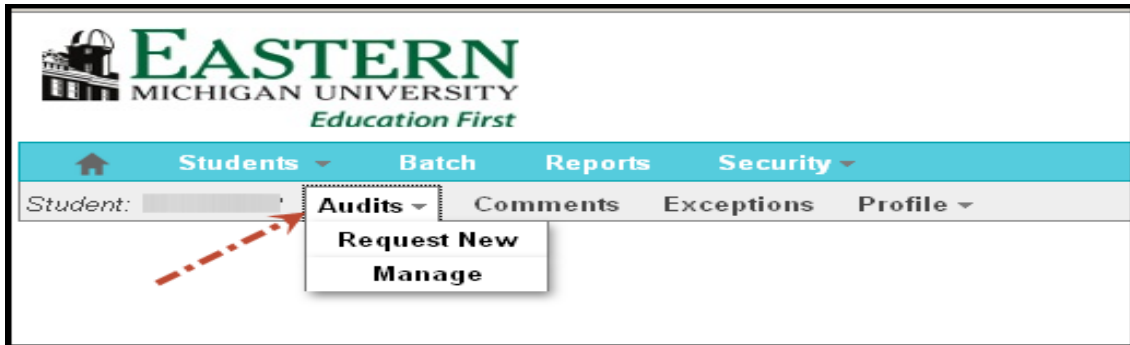

- ❖ If the student has never had an audit run through u.achieve, the following message will appear.

The screenshot shows a "Get Started" window titled "Welcome to u.achieve® Self Service". It contains instructions: "To run an audit: Fill out the courses in the 'Manage Student' area (optional). Press **Request Audit** when you complete the courses list." At the bottom, it says "You need to request an audit before viewing results." with a **Request Audit** button.

- ❖ If the student already exists in the system, you will be taken to their records automatically.

- To run a new audit, or view any previous audits, click on the 'Audits' tab on the toolbar at the top of the page. Select "Request New" to run a new audit or "Manage" to view any previously run audit.

- When selecting "Request New" to run a new audit, choose either:
 - ❖ The "Run Current Programs" radio button and the system will run an audit based on the student's official major(s)/minor(s) on record via Banner. |
 - ❖ The "Run Selected Program" radio button and then choose which program you would like to run an audit against to force a specific major, catalog, and - [*NEW function - u.achieve can now add Minor's, Concentrations, etc.](#), for a student and 'What-If' audits.
