Faculty Salary Computations:

Summer month (one) ----- 11% x base

* Daily Rate - Acad. Yr. ----- .006 x base

* Weekly Rate - Acad. Yr. ----- .03 x base

* Annualized Acad. Yr. Rate ----- 1.44 x base

* Consultant Services (by EMU Faculty)

Consulting by EMU Faculty on grants awarded to EMU must first comply with sponsor restrictions for supplemental pay, including funds flowing through other entities (e.g., subawards to EMU). Per the EMU-AAUP contract* compensation is computed as above plus fringe benefits of 8.0%, and grant work overload is limited to 24% effort; effort above that % requires release time.

Employee Benefits (% of salary)

Federal Fixed Benefit Rate: (2021-2022 rate)

— All regular employees 33.16%

Composite Fringe Benefit Rates (2019-2021 rates):

Full-time Regular 40%

Temporary/ECs/Supplemental 8%

Enrolled & Non-enrolled

Students 2%

Student Help Wages

Minimum Michigan wage:

\$9.65/hour as of January 1, 2021

Include 1-2% increase/year for continuing students

External Consultant Rates: Negotiable, but in general grant recipients are normally expected to utilize services of their own staff. If consultant services are anticipated, they must be justified in the narrative of the proposal. Daily compensation rates must be reasonable and consistent with that paid for similar services in the marketplace. Review federal agency specific rules to ensure compliance. Travel may be included as well.

Travel Expenses

Hotel and Subsistence Rates: Use Dept. of Defense maximum allowable, as of January 27, 2021.
