The GRE Fee Reduction Program is funded by income from GRE test fees. The GRE Program incurs a cost for every test appointment scheduled or test registration received. Please do not schedule a test appointment or register for a test unless you are certain you will be able to attend the test session. The long-range viability of the fee reduction program depends upon effective stewardship of this program.

Expiration Date: June 30, 2014

I request a fee waiver from the EMU Office of Financial Aid for:

Computer-based Test

Paper-based General Test (only offered in areas where the computer-based General Test is not available)

Subject Test

Please answer Yes or No to the following statements:

YES NO

A. I have filed a 2013-14 FAFSA.

I am a U.S. Citizen or resident alien.

If both answers to the statements above are "Yes" go on to B.

B. I am an enrolled senior.

I am a non-enrolled college graduate.

If you responded "yes" to section B, go on to C.

C. I am a dependent college senior whose FAFSA results (ISIR) show a parental contribution of not more than \$1,500 for my senior year

I am an independent college senior whose FAFSA results (ISIR) show a contribution of not more than \$1,900 for my senior year

I am an un-enrolled college graduate whose FAFSA results (ISIR) show independent status and a contribution of not more than \$1,900

If you answer "Yes" to any statement in section C above, you may be eligible for a GRE Fee Reduction Certificate. Once the FAFSA information has been verified, you will be emailed that the certificate is ready for pick up.

By signing below I acknowledge that I meet the criteria for a GRE Fee Reduction Certificate. I understand that it is my responsibility to mail the original Fee Reduction Certificate, payment equivalent to 50 percent of the full test fee (\$92.50 for the General Test, \$75 for a Subject Test), and a copy of my ISIR with the appropriate registration materials.
