111th General Elections of the Student Body **Candidate Affidavit**

We, _____ and _____, candidates for office in the 2024 Eastern Michigan University Student Body Elections, do hereby subscribe and affirm that:

Both of us meet the constitutional requirements to run for office. Specifically, we are both in good academic and community responsibility standing, and are currently enrolled students at Eastern Michigan University, or will be by the time of assuming office. We give permission for the University to verify our standing.

We have read, are familiar with, and will fully adhere to, the governing documents of Eastern Michigan University Student Government. This includes Chapter 6 of the Bylaws, which pertain to election policies.

We certify that all signatures collected are truthful and accurate. All signatures contained herein are of currently enrolled students of Eastern Michigan University.

We understand that if either candidate or the campaign violates the rules set forth in the governing documents, or directives of the Election Commission, the campaign may be subjected to sanction. Sanctions may include fines. We will fully comply with any sanctions levied against us. Failure to pay fines may result in disqualification. Please consult Section 6.3 and 6.12 of the Student Government Bylaws for information for violations and processes.

We have reviewed the 2024 Election Calendar and understand all of the important election deadlines, and understand that they may be subject to change with advance notice. We understand that if deadlines are not met, there may be no remedy available for grievances.

We have truthfully and accurately filled out this election application to the best of our knowledge. We understand that if personal or contact information changes throughout the course of the campaign, we will update it as quickly as possible.

We understand that we have an obligation to check our University email account and personal cell phone messages throughout the campaign cycle. If we miss important election information as a result of not checking our University email or personal cell phones, we will not hold the Election Commission or Student Government liable. We are also familiar with the contact information for the Speaker of the Senate, the Student Government Advisers, and the Student Body President.

We understand that the Election Commission is the exclusive venue where I must allege any campaign violations. We further understand that the remedy for grievances with decisions of the Election Commission is the process of administrative review, as outlined in Chapter 6.13 of the Bylaws.

In order to be considered for the ballot, prospective executive campaigns must compile a petition signed by at least three hundred (300) valid members of the Student Body. In order for the signature to be considered valid, the signing member of the Student Body must be enrolled in classes during the Winter 2024 semester, and provide a student number, full name, signature and contact information. If the student number, name, signature or contact information is missing, corrupt, or deemed illegible, the signature may NOT be counted.
