

Bloom-Banks Matrix: *Navigators*

Banks-Bloom Navigator	Knowledge	Comprehension	Application	Analysis	Synthesis	Evaluation
Contributions						
Additive		Find 3 lesser known people who were also associated with the Underground Railroad?				
Transformation	Create a map that details your escape from slavery. Include the total number of days that you will be traveling	Identify slave and freed states in 1850 that you will pass through	Considering the weather, what would be the best time for you to leave and why?	Tell how you will know that a place is safe (for example, a lit lantern in someone's yard). Give 3-5 examples.		
Social Action				6 helpful tips for safe travel in the woods, mountains and rivers during different seasons to help them get North.	Create a survival manual wiki describing how the enslaved Africans survived during their travel on the Underground Railroad.	Email your wiki page URL to your teacher and share it with the class.
